

To the Readers of This Paper  
Who Are Afflicted With  
Piles—Fistula—Fissure

I present letters from and names of many of my former patients so that you may have an opportunity to do as they did: Investigate me—my methods—treatment—ability and reliability in the treatment and cure of Piles, Fistula, Fissure and all Rectal diseases.

All the parties whose letters and names appear live in the State of Missouri and some in your and adjoining counties, thus affording you an opportunity to communicate with some of them in person—by telephone or by mail, and in this way, satisfy yourself as to the reliability and dependability of my statements.

I guarantee a cure in every case that I accept for treatment and do not ask any pay until a cure is effected; and it makes no difference how long you have been afflicted—how much your condition is, or how much you have tried to get cured. If I tell you that I can cure you, you can depend upon my statement.

GIVE SPECIAL ATTENTION TO THE FOLLOWING.

THESE IS NO MEDICINE OR TREATMENT OF ANY KIND KNOWN TO MEDICAL SCIENCE TO BE TAKEN INTERNALLY OR USED BY YOURSELF AT HOME THAT WILL CURE PILES, FISTULA, OR FISSURE. The very nature of the affliction makes local treatment absolutely necessary, and that treatment must be given by a physician of great experience in the treatment of this class of diseases in order to effect a cure.

Ask my former patients to tell you of their experience along this line. Do not experiment longer—do not go on suffering and spending your money without getting cured, but on the other hand, growing worse all the time.

I again ask you to investigate by calling on, or writing to some, or all of the parties whose letters and names appear in this advertisement.

WOMEN should send for my free 100-page book for Women and MEN should send for my free 300-page book for men. It will pay you.

Do not go through life in constant pain and suffering, but investigate now, then come and I will cure you as I have hundreds upon hundreds of others. My terms are most reasonable and you will have no more suffering to endure from Piles, Fistula or Fissure after my treatment.

I will be pleased to have the Editor of this paper investigate my claims for you if he will.

Mr. Moran Thinks My Treatment Wonderful.

Bonne Terre, Mo., Oct. 22, 1912.  
Dr. M. Ney Smith, St. Louis, Mo.  
Dear Dr. Smith—For eight or ten years I suffered from a bad case of Piles and was rid of them in a few weeks by your skillful treatment. Before taking your treatment my work was a burden to me—I was unable to do business, my general health was poor but now my health is good—I feel several years younger and life is a pleasure.

I cannot speak too highly of you personally, nor do I heartily recommend your treatment, and you have my consent to mention this letter in any publication I desire, as I feel it is a duty that I owe my fellow men to tell those who are suffering as I did, about your wonderful

method of treatment.

Yours very truly,

Read Mr. Bezzenger's Letter:

St. Charles, Mo., Aug. 12, 1909.

Dr. M. Ney Smith, St. Louis, Mo.

Dear Doctor—I am pleased to say that you have cured me of a bad case of piles which I had been afflicted with for 20 years—tried many different remedies which were highly recommended, besides number of doctors, but received only temporary relief, and in fact my case was becoming more aggravated, causing me many times of suffering that I would become despondent—my nerves would all be unstrung, causing headache—stomach, troubles and causing unfold misery and agony. My advice to the afflicted, suffering from Piles is to consult you at once, and be cured.

Read Mr. Tomak's Letter:

Hawk Point, Mo., Oct. 21, 1912.

Dr. M. Ney Smith, St. Louis, Mo.

To Whom It May Concern—I recommend Dr. M. Ney Smith highly for what he has done for me. I have had piles for 15 years. The spring of 1912 I lost 15 lbs. and was almost past going. Dr. M. Ney Smith treated my case and in thirty days I was cured and have been enjoying the best of health ever since. Yours truly,

*Joe. Tomak*

W. P. Robertson Willingly Testifies:

Deering, Mo., May 31, 1913.

Dr. Ney Smith, St. Louis, Mo.

Dear Doctor—I now willingly testify to your successful treatment of my case of Piles, from which I had suffered seven years. Had used many remedies, and takes treatment from a number of physicians but all to no avail, until I was induced by a friend of mine, whom you have written to, to come to you, and I shall never regret having done so, for you have completely cured me.

I have gained 22 pounds in weight since I took your treatment, and can highly recommend you to anyone suffering with these diseases.

Thanking you for past favors, I am,

Your friend,

*W.P. Robertson*

Mr. Siebert Says He Has Gained Thirty Pounds:

Puxico, Mo., Jan. 6, 1912.

Dr. M. Ney Smith, St. Louis, Mo.

Kind Doctor—Thought I would write a few words to you. I am getting along fine. I haven't had any trouble since last winter and am getting fat.

Right thirty pounds more than when I was under treatment and you can't imagine what pleasure I have now. I can see what a fool I was for not being treated before I was. Respectfully, a cured patient.
